SUMMARY

Aspiring developer with a keen interest in AI and Cybersecurity enthusiast with beginner-level skills in C and C++. Eager to contribute to collaborative projects, demonstrate a dedication to excellence, and engage with the community.

EDUCATION

KJ Somaiya College Of Engineering Bachelor of Technology - Information Technology	Aug 2024 - Jun 2028
Indian Institute of Technology Jodhpur Bachelor of Science - AI and Data Science	Sep 2024 - Jul 2028
K.C.M World School Class-12 Percentage-80.2%	Apr 2022 - May 2023
K.C.M World School Class-10 Percentage-87%	Apr 2020 - May 2021

SKILLS

TECHNICAL SKILLS:

- **Programming Languages:** C, C++
- **Web Development:** Basic HTML, CSS, JavaScript
- **App Development:** Basic Flutter

SOFT SKILLS:

- Teamwork, Dedication, Community Engagement, Eagerness to Learn, Leadership, Communication, Problem-solving.
-

PROJECTS

Banking System:

- Created a banking system in C++.
- Generated random account numbers for new accounts.
- Enabled secure login with account number and password.
- Added features to deposit, withdraw money, and view account details.

Weather App:

- Developed a weather app using Flutter.
- Collaborated with a small team to design and implement the app.
- Integrated real-time weather data using a weather API.
- Displayed current weather conditions and forecasts.

Portfolio Website:

- Designed and developed a personal portfolio website using HTML and CSS.
- Created a clean and responsive layout with sections for Home, About, Projects, and Contact.
- Included a navigation menu for easy access to different sections of the site.
- Showcased key projects with brief descriptions and provided contact information.
- Featured an animated welcome screen that displays dynamic text before transitioning to the main content.

ADDITIONAL PROJECTS

- **Sign-Up and Login Page (C++):** Implemented user authentication with secure sign-up and login functionality, with a provision for retrieving passwords if forgotten.
- **Hostel Booking System (C++):** Created a platform for booking hostel rooms with real-time availability and booking confirmation.
- **Library Management System (C++):** Built a system to manage book inventory, borrowing book records, and admin login to add books.
- **Dice Roller App (Flutter):** Simulates rolling dice with random number generation, and provides a user-friendly interface for interactive gameplay.

VOLUNTEER EXPERIENCE

Event Coordinator, Official School Farewell Party

K.C.M World School – 2023

- Led the team for the farewell party, managing setup, entertainment, and coordination with over 300 attendees.

Volunteer, Tree Plantation Drive

K.C.M World School – 2023

- Organized and participated in a tree plantation drive on the school campus on World Environment Day, aimed at enhancing the green spaces and promoting environmental awareness.

Volunteer, Blood Donation Camp

K.C.M World School - 2022

- Participated in the organization of a blood donation camp in collaboration with a Rotary Society (Palwal) and local blood bank.
- Assisted in registrations and promotions.

ACADEMIC ACHIEVEMENTS

Achieved 99.99 Percentile in MHT CET (Engineering Entrance Exam)

- Placed in the top 0.01% of candidates among the total students who appeared for the exam in 2024.

Recipient of the Chancellor's Scholarship, K.J. Somaiya College of Engineering

- Awarded the Chancellor's Scholarship for academic performance and merit.
